

Glowsilk Coloured Shampoos

Pooches n Cream Glowsilk Coloured Shampoos are unique formulations with intensely rich colours. Available in four rich colours to enhance coat colour: Black, White, Dark Brown and Red Brown. These premium quality shampoos also contain shine boosters to add a shiny, healthy glow to all coats.

Why are **Glowsilk Coloured Shampoos** so great to use?

- ✓ The rich colours revitalise patchy-coloured coats to create a full and even depth of colour
- ✓ The added shine boosters will revitalise dull coats and create a bright, lasting shine
- ✓ Each shampoo is highly concentrated for great cleaning capabilities and economical use
- ✓ **Glowsilk Shampoo White** is fantastic for brightening and removing stains from grey and white coats. Great for removing tear stains! It can also be used for multi-coloured coats to enhance the brightness of all coat colours
- ✓ All shampoos have a gentle pH balance to best care for the skin and coat

Helpful Hints:

1. When using a dark coloured shampoo on an animal with white socks or markings, protect the white hair from staining by covering it with **Pooches n Cream Glowsilk Protein Conditioner!**
2. Due to the high concentration of colour, it is recommended that gloves be worn to protect hands from staining.

Available in 250ml, 500ml, 5lt and 20lt bottles. Ask for **Pooches n Cream Glowsilk Coloured Shampoos** at your local pet or produce store.
