

ShowSilk Hair Polish

Create a soft, shiny, healthy coat with Equinade Showsilk Hair Polish.

The unique formulation of **Showsilk Hair Polish** is highly effective in caring for coats, manes and tails. It contains shine boosters that are absorbed by hair strands to give a longer lasting shine. An anti-static agent has been incorporated to help stop those annoying fly-away strands. To ensure your pet's health is protected, the formulation has a gentle pH balance to help avoid skin irritations. A pleasant fragrance has also been added so that your animals will smell fantastic too!

Equinade Showsilk Hair Polish is packaged into a convenient 500ml bottle with an adjustable spray nozzle to assist in achieving an even coverage on your animal's coat. Refills are available in 1lt, 5lt and 20lt recyclable bottles at your local equestrian, pet or produce store.
