

# Mighty Bright

## ShowSilk Mighty Bright

### What does it do?

1. An amazing rinse that will whiten, brighten and remove stains from tails, manes & coats.
2. Designed to remove yellow tinges and stubborn stains without damaging the hair.
3. It can also be used to reduce the intensity of brassy, red tones and soften harsh grey tones.

Before

After

### How do you use it?

1. Easy to use! Shampoo and condition as usual, then dilute Equinade Showsilk Mighty Bright in a bucket with water and pour onto the coat, tail or mane.
2. No rinsing! Leave in for long-lasting effects.

**TIP** The best results occur when the hair turns slightly purple when wet. As the hair dries, the purple will fade and maximum brightness will be achieved!

**Equinade Showsilk Mighty Bright** is available in 125ml, 250ml and 500ml bottles at your local produce, pet or equestrian store.
