

## COCONUT LEATHER CONDITIONER

---

**Equinade Coconut Leather Conditioner** is a premium leather care product for use on all leather goods. It is deliciously fragranced with coconut oil so that caring for your leather is a pleasurable experience.

### What are the benefits of using Equinade Coconut Leather Conditioner?

- ✓ Leaves leather feeling luxuriously soft
- ✓ Contains premium quality, natural ingredients
- ✓ Protects leather from the elements and wear
- ✓ Preserves leather to ensure a long, useful life
- ✓ Contains a carefully selected blend of waxes and oils
- ✓ Deliciously fragranced with coconut oil
- ✓ Comes in a convenient 220g tub
- ✓ Great for saddles, bridles, harness, luggage, boots, belts, upholstery, car interiors and all fine leather products

### For Best Results -

Clean leather with Equinade Leather Soap, then apply Equinade Coconut Leather Conditioner with a soft cloth. Allow the conditioner to penetrate, then buff with a clean, soft cloth for a perfect finish.

Available from your local produce or equestrian store along with other Equinade products.
