

Glowsilk Shampoo Concentrate

To help maintain your pet's health and well-being it is important to clean and care for their coat correctly. A clean, healthy coat can be achieved by using **Pooches n Cream Glowsilk Shampoo Concentrate**. It is a premium quality shampoo which gently cares for the coat and skin.

How can Pooches n Cream Glowsilk Shampoo Concentrate help your pet?

- ✓ Gently and effectively cleans away all traces of dirt
- ✓ Highly concentrated at 1:50 (20ml to 10lt of water) to give you more washes in every bottle
- ✓ Ideal for Hydrobaths (see above for ratios)
- ✓ Odour-defying to leave a long-lasting fresh smell
- ✓ Designed to assist in the control of dermatological conditions & topical bacterial infections, including eczema & ring worm
- ✓ Nourishes the coat and skin to assist skin pores to function correctly and help prevent the build up of scaly skin or scurf (a common problem for dogs)
- ✓ Has a gentle pH balance to best care for the skin and coat
- ✓ Gentle and safe for use on puppies and kittens

After shampooing, it is important to finish off with a quality conditioner to help prevent the coat from drying and fading. **Pooches n Cream Glowsilk Protein Conditioner** is designed to seal the pores and create a soft, healthy shine for all coats.

Available in 250ml, 500ml, 5lt and 20lt bottles. Ask for **Pooches n Cream Glowsilk Shampoo Concentrate** at your local pet or produce store.
