

Disinfectant Cleaner Heavy Duty

Equinade Heavy Duty Disinfectant Cleaner is a unique formulation which is easy to use and highly economical. This **hospital strength** disinfectant has a strong dilution rate at up to 1:60. An antibacterial agent (Quat) helps to reduce the presence of surface bacteria.

Equinade is also conscious of caring for our environment, so this product has been formulated to be bio-degradable and of course, all of our packaging is **recyclable**. Available in two fantastic fragrances, (Lavender or Fruity), which may also aid in repelling flies and insects.

Equinade Heavy Duty Disinfectant Cleaner is available in 5 litre and 20 litre bottles at your local equestrian, pet or produce store.

What are the benefits for you and your pet?
