

Showsilk Shampoo Concentrate

A clean, soft and healthy coat can be achieved by using Equinade Showsilk Shampoo.

To help maintain your animal's health and well-being it is important to clean and care for their coat correctly.

All Showsilk products have been pH balanced to be gentle so that they can care for the needs of your animal's skin and coat.

What are the benefits for you and your pet?

-  Gently and effectively cleans away all traces of dirt
-  Highly concentrated to give you more washes in every bottle
-  Designed to assist in the control of dermatological conditions & topical bacterial infections, including eczema & ringworm
-  Nourishes the coat and skin to assist skin pores to function correctly and help prevent the build up of dead skin
-  Has a gentle pH balance to best care for the skin and coat

After shampooing, it is important to finish off with a quality conditioner to help prevent the coat from drying and fading and to create a healthy shine. Use the premium quality Equinade Showsilk Protein Conditioner to restore the natural acid mantle and add shine to the coat. Showsilk Protein Conditioner is also ideal to untangle knots in manes, tails and long coats.

Available in 500ml, 1 litre, 2.5 litres, 5 litres and 20 litres from your local pet, produce and equestrian store.
